Dear

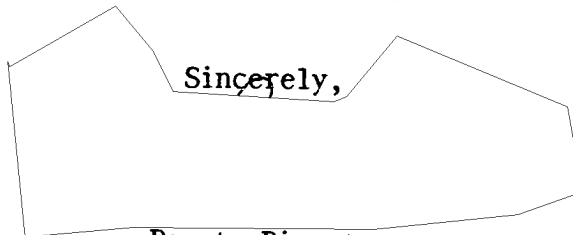

STAT

We wish to express our great appreciation for the services you have rendered as a summer employee in the Europe/Latin America/Africa Division. Throughout the past summer, you made many useful and creative contributions toward easing the workload and furthering the mission of the Division's components, all of which commend you for a job well done.

We hope that you too gained from your experience in this assignment. Please accept our very best wishes for success as you embark on your university studies and good fortune in the pursuit of all your future goals and ambition.

Sincerely,

STAT
